

2026 - 27 Integrow PD Course Schedule

Steminnm.org

The STEM Innovation Network is sponsoring Integrow Add+Vantage numeracy courses across New Mexico. The FOUR-day courses provide:

- **RESPONSIVE INSTRUCTION WITH LEARNING PROGRESSIONS:** Use research-backed trajectories across key numeracy domains to meet students where they are and support meaningful growth.
- **ACTIONABLE INSIGHT INTO STUDENT THINKING:** Learn to observe and analyze students' mathematical understanding through informed questioning and observation to guide daily teaching decisions.
- **BUILD CONFIDENT, JOYFUL MATH LEARNERS:** Foster strong mathematical identities by leveraging student strengths and creating engaging, inclusive learning experiences.
