

NACA Inspired Schools Network

Educator Professional Development

Wednesday | August 19, 2026 | 5:00 – 6:30 PM (MST)

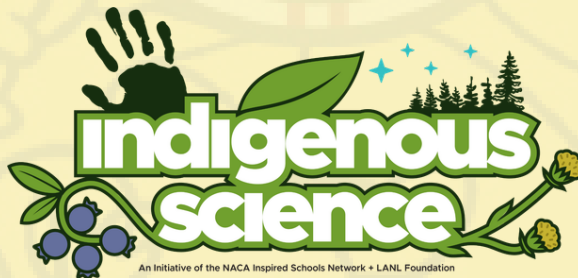

The Story of the Indigenous Science Initiative (ISI)

Learn about the story of the Indigenous Science Initiative (ISI) from the early days in 2023 to the launch of the open-access curriculum. Explore the resources and start thinking about how to adapt or localize for diverse contexts.

Use the QR code or click “Register Now!” link below.

Register Now!

Attendees who participate for the length of the session will receive a certificate of participation as documentation of their attendance.
